

Executive Committee Meeting of the New Jersey Urban League
October 9th, 1924

The Executive Board of the N.J. Urban League met in regular monthly session and was constituted with prayer by the President, Mr. Banwart. Minutes of the last meeting were read and approved.

Miss Vaughan's report was read and approved and ordered filed.

The report of the Executive Secretary was read and approved and ordered filed. Miss Holbrook's report was called for but the Executive Secretary explained that she was taking a course in Family Problems being given at the new school of Social Work, and which bore directly on her work, and he had taken the liberty to excuse her during the term of the course.

The report of the Treasurer was read. It showed a balance of \$369.92 October 1st.

In the course of the Treasurer's report the Executive stated that \$202.50 had been taken from the Savings Fund to pay for workmanship in installing the furnace and additional piping. It appeared to be the feeling of the Board that this sum should have come from our regular fund and not the mortgage fund. The Executive stated that an appeal had been made to the Community Chest covering the expense of the furnace, which if received would allow us to replace the \$202.50. On motion the treasurer was ordered to pay Berla Bros. \$150.

The Executive was instructed to sell as junk the old furnace.

The Executive was also instructed to write a letter of appreciation to the F.W. Home Comm. expressing its appreciation of the way in which
